The Honorable Jim Nussle
Director
Office of Management and Budget
Washington, D.C.

Dear Director Nussle:

As you know, Title VII of the Deficit Reduction Act of 2005 (DRA) directs the Secretary of Health and Human Services to promulgate regulations relating to whether activities can be counted as "work activities" under the Temporary Assistance for Needy Families (TANF) program. As Chairman and Ranking Member of the Senate Finance Committee which has jurisdiction over the TANF program, we are very interested in these final regulations. We are aware that there is also a great deal of interest among state and welfare policy stakeholders regarding the issuance of these regulations.

We understand that these regulations are currently pending at the Office of Management and Budget. We would appreciate your assistance in expediting their release.

Sincerely,

Max Baucus
Chairman

Charles E. Grassley
Ranking Member
